Taking Ownership

WHO WE ARE

FOUNDED IN 1987

Much of the value a company provides to its clients is created by its heritage. Alliance 2020 has over 35 years of background screening experience. We've grown to have employees in five states covering four time zones.

Today, Alliance 2020 is known as one of the leading background screening providers in the United States. We are among the proud founders of the Professional Background Screening Association (PBSA) and were one of the first consumer reporting agencies to earn this accreditation.

CUSTOMER-FIRST

Founded on a "customer-first" philosophy, Alliance 2020 continues to provide premier service to our clients through quality processes, procedures and technology. We work with you upfront and on an ongoing basis to streamline the screening process to meet your needs.

Employer sends QuickApp link directly or through ATS integration

Applicant completes questionnaire

Employer receives notification candidate has filled out QuickApp

Results available in 1-3 business days

EMPLOYMENT SCREENING

We combine our extensive knowledge of best practices with innovative solutions to assist in developing, deploying and managing a successful employment screening program. Our state-of-the-art online system integrates with almost every applicant tracking system allowing for the most streamlined screening process for candidates and employers. Our applications are always kept up to date for our clients, ensuring 100% regulatory compliance.

ATS INTEGRATIONS

Alliance 2020 offers seamless integrations of our background screening services with almost every applicant tracking system (ATS). By integrating, you can quickly and easily provide a more efficient and friendlier candidate experience. Integrating is not only a win for efficiency, compliance, and experience; employers and candidates become empowered to make the most out of the hiring process.

Getting started is easy! It typically takes less than one week to set up an integration and for you to be on your way to a highly streamlined and successful employment screening program.
